ACTIVITIES

Stuyvesant Spectator

New York, NY

Web Department Member

December 2024 - Present

- Collaborated with around 20 other members to manage and upkeep Stuyvesant High School's student-led newsletter's website, stuyspec.com
- Led the designing and creation of Gamma, an auxiliary website used to manage Spectator related duties such as CMS, upcoming projects, and progress tracking
- Uploaded articles to the CMS every two weeks to keep the website updated with each issue

Guggenheim GuggTeens

New York, NY

Teen Collaborator

November 2024 - Present

- Contributed in a cohort of four highschool students for 10 hours a month to create a program for over 500 students to enjoy at the biannual GuggTeens Fest
- Attended a total of 8 "flex events" at various museums and galleries to connect and network with other teens at respective teen programs

Stuyvesant Student Union

New York, NY

IT Department Member + Educator

November 2024 - Present

- Coordinated with the roughly 20 member department to create and manage websites relating to Stuyvesant's Student Union
- Designed and improved Epsilon, a website designed to host a myriad of tools to help students, including StuyActivities, an interface for students to discover and join extracurricular activities
- Guided and instructed inexperienced members and created a collection of lessons to teach HTML, CSS, JS, React, and department infrastructure

StuyPulse / Stuyvesant Robotics

New York, NY

IT Director, Software Engineering Member, Business Member

October 2024 - Present

- Collaborated with over 50 members in the software department for up to 10 hours a week to program robots to compete at the First Robotics Competition
- Created and managed an attendance tracking website used by over 150 members out of roughly 200 active members in the team
- Volunteered at various events such as alumni reunions, StuySplash, and crochet flower making

Stuyvesant Donated Apparel

New York, NY

President + IT Director

March 2024 - Present

- Led all facets of the operations of the club which focuses on creating graphic designs to be printed on articles of clothing that will be sold; profits are used to host events for shelters; any clothing not sold is donated as well.
- Managed and created the club website (sda.clothing) and conducted photo shoots of models for the website and social media
- Coordinated and executed donation events supplying clothing, books, and canned food to those in need totalling up to \$300 in inventory
- Led the publicity of the club through social media and email outreach programs to gain over 6000 impressions by designing engaging posts and posters in Inkscape

Chinese Methodist Center Corporation Mei Wah Afterschool

New York, NY

Tutoring Volunteer

Feb 2024 - April 2024

- Partnered with trained teachers and other volunteers to tutor a group of 5-8 students from ages 7-12 with subjects such as math, english, social studies, science, and SHSAT prep using premade lessons
- Guided engaging activities like coding exercises, brain teasers, and math puzzles to promote learning outside of school curriculum, as well as organized board game sessions to promote social interaction
